13.2.5 Record System

The record system will be such that all costs can be easily traceable from all billings through the ledgers to the source document. Each expenditure must be identified with the task within the current approved UPWP or SSOW.

13.3 CONSULTANT CONTRACTS AND PROFESSIONAL SERVICES AGREEMENTS

Each consultant contract or professional services agreement, in which any party engages, may require a specific audit for that project or agreement. The award of any such construction related engineering design services contract must be made in conformity with applicable Federal and Alaska DOT&PF contracting procedures including Alaska DOT&PF Procedure 10.02.010, and related Professional Services Agreement Handbook, or based on acceptable alternative contracting procedures approved by Alaska DOT&PF and FHWA. This requirement is in addition to any agency-wide audit conducted pursuant to OMB Circular A-133 (Single Audit Requirements).

13.4 ANNUAL AUDIT

MVP for Transportation may be audited every year by Alaska DOT&PF Internal Review auditors for compliance and to insure adequate coverage. MVP for Transportation will additionally hire an independent Certified Public Accountant (CPA) to conduct an annual audit of all revenues and expenditures, as well as participate in a state and/or federal single audit as requested. Both Parties and/or their subcontractors under this Agreement shall maintain all records and accounts relating to their costs and expenditures for the work during any fiscal year for a minimum of three (3) years following receipt of the final payment and shall make them available for audit by representatives of Alaska DOT&PF, FHWA, and FTA at reasonable times. Both parties shall maintain records in a form approved by Alaska DOT&PF. Final payment is defined as the final voucher paid by FHWA to Alaska DOT&PF based on an audit. A request to close out a fiscal year or project account does not constitute final payment.

13.5 RESOLUTION AND CLOSURE

Any review, which does not meet Federal requirements, will be resolved between Alaska DOT&PF and the other party. The financial records relating to a UPWP or SSOW year may be closed out once FHWA accepts the audit and final payment adjustments have been made.

SECTION 14- COMPLIANCE WITH TITLE VI, CIVIL RIGHTS ACT OF 1964

Both hereby agree as a condition to receiving any Federal financial assistance from USDOT, to comply with Title VI of the Civil Rights Act of 1964 and all requirements imposed by or pursuant to Title 49 CFR, Part 21, Nondiscrimination in Federally Assisted Programs of the USDOT, Effectuation of Title VI of the Civil Rights Act of 1964.
